WOODLAND HILLS, Calif. — ILG (International Laser Group), a USA manufacturer of quality compatible toners and imaging supplies has added compatible **BROTHER TN-650**, high-yield black laser toners for use in BROTHER HL-5340D, HL-5350DN, HL-5370DW, HL-5380DN, MFC-8480DN, MFC-8880DN, MFC-8890DW, DCP-8080DN and DCP-8085DN to the line of compatible toners and cartridges.

BROTHER TN-650 compatible toner offers high-yield capacity, and is developed for use in multiple Brother printers. ILG compatibles are produced using OEM specifications. ILG's manufacturing facility has stringent quality control systems and conducts numerous pre-and post production tests. This ensures our products are of top quality and free of defects. In addition, it is backed by a 100% warranty and guaranteed to perform to the OEM standards.

"We are pleased to offer these quality products that meet the OEM standards in uniform density, and at greater savings to our clients. Our in-depth product line includes all name brand compatibles and over 160 color products. Our 4 nationwide distributions centers allow us to offer next day delivery." Said Joe Shulman, Sr. V.P. of operations and sales.

Founded in 1988, International Laser Group, ILG offers a comprehensive selection of high-quality compatible cartridges including toner, MICR toner, thermal transfer products and inkjets. ILG manufactures more than 350 SKUs and is one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, CA and they operate three additional distribution facilities Illinois, Texas and Pennsylvania enabling us to offer next day delivery.
