## **ILG Releases Compatible HP 9500 Color Printer Cartridges in Sets of 4 (CMYK) for The HP 9500 Color Printer**

**ILG** (International Laser Group) announces a new release in HP 9500 color toner cartridges compatible for use in HP 9500 high-speed color printer. HP 9500 is a high-speed digital multi-functional printer with fax, scanner and copier in one unit, designed for professional offices. ILG's compatible 9500 is available in sets of four; black, cyan, yellow and magenta. These high end color printer cartridges promise to be a big seller due to substantial cost savings compared to the OEM brand.

This high volume color printer cartridge provides a high-yield of 25,000 pages per color, matching OEM in quality, print resolution, and yield. This is a high volume printer with multi-purpose trays and digital functionality and is one of the most popular color printers in use. ILG's compatible set is backed by our 2 year warranty and offers significant savings to our resellers, dealers and distributors.

"We are excited to offer this color series as a set. We are the one of the first to offer these high-demand products to our resellers. This product line offers tremendous opportunity for our customers; it will be a big seller." Said Joe Shulman, Sr. V.P. of operations and sales.

ILG is a leading American imaging supplies manufacturer with over 500 Skus of in-depth product lines. Our toner cartridges utilize custom formulated premium toners; we use only OEM virgin cores and quality components custom selected by our engineering team. ILG's products are manufactured under stringent processes in our state-of-the art facilities, ensuring our products are of top quality. In addition, all products are backed by our 2 year, 100% warranty.

Founded in 1988, ILG offers a comprehensive selection of high-quality compatible cartridges including toner, MICR toner, thermal transfer products and inkjets. ILG is one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, CA, we operate three additional distribution facilities Illinois, Texas and Pennsylvania enabling us to offer next day delivery.
