

## NEWS RELEASE

For immediate release: November 10, 2009

### ***A Breakthrough Hot Release, HP CE255A Toner Cartridge Compatible Now Available at ILG!***

**ILG** is proud to announce a breakthrough new release, HP CE255A compatible for use in HP Laserjet Enterprise P3010, P3015, and P3016 series printers. CE255A (HP55A) black toner with 6,000 page yield is designed for commercial-quality printing users. HP3015 printer is one of the most widely distributed printers and features all in one printer, fax, copier, and scanner.

"We are excited to offer this breakthrough new release; we are the first to market the CE255A. Our R & D team has worked hard to be a leader in first-to-market products." Said Joe Shulman, Sr. V.P. of operations and sales.

ILG is a leading U.S. imaging supplies manufacturer with over 500 Skus's of in-depth product lines. Our toner cartridges utilize custom formulated premium toners, we use only the OEM virgin cores, and quality components custom selected by our engineering team. ILG's products are manufactured under stringent processes in our state-of-the art facilities, ensuring our products are of top quality.

All of our products must pass our quality control systems and we conduct numerous pre-and post production tests. ILG guarantees our products are of top quality in print result, consistency, and free of defects in workmanship. In addition, all products are backed by our 2 year, 100% warranty.

Founded in 1988, International Laser Group, ILG offers a comprehensive selection of high-quality compatible cartridges including toner, MICR toner, thermal transfer products and inkjets. ILG is one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, CA, we operate three additional distribution facilities Illinois, Texas and Pennsylvania enabling us to offer next day delivery.
