ILG INTRODUCES NEW RECYCLING PROGRAM – FREE AND SIMPLE, ZERO LANDFILL RECYCLING

WOODLAND HILLS, Calif. — **ILG** (International Laser Group) introduces a new recycling program with a free and easy recycling plan. We accept all empty toner cartridges, inkjets, and cell phones, regardless of age or models.

This program is **ISO 14001:2004 certified**, maintains a documented **Zero Landfill Initiative** and a strong commitment to the environment. This Zero Landfill program recycles over 97% of all incoming materials, and we manage the details of your collection program at no cost to you. ILG will supply you with free labels, free boxes, and pay for the shipping. This simple program offers turn-key collection logistics, saves you the costs and will free-up your warehouse space.

Outsourcing your empties collection program can provide numerous benefits to companies and organizations. First and foremost grow your business with this opportunity. The program saves cost of recycling such as processing time, shelf spaces, postages and packaging, and most of all... you are saving the planet's precious resources.

How the program works: First register on-line. Once you set up an account, returning your empties to our recycling center is a click. Visit: www.ilglaser.com (go to recycling menu) click on: www.clientrecycling link. ILG will provide prepaid shipping labels and packing boxes at no charge to you. For companies or organizations with large volume recycling needs (100 toner cartridges,) we will provide a free pallet pick-up to your business, and an on-line status report of your collection program. Just give us a call at 800 937-2880.

ILG is a leading manufacturer of imaging supplies and OEM alternative quality laser toner cartridges. ILG is the manufacturer of JUMBO Color™, an exclusive line of high-yield color laser toners. ILG is located in Woodland Hills, CA. We operate four distribution facilities in CA, Illinois, Texas and Pennsylvania, enabling us to offer next day delivery.

For more information on volume recycling contact ILG directly at (800) 937-2880, ext.3207 or 3277.
