### **ILG ADDS TWO NEW MICR PRODUCTS, LEXMARK T650 MICR HIGH-YIELD COMPATIBLE AND LEXMARK E260/E360 MICR COMPATIBLE CARTRIDGES**

**WOODLAND HILLS, Calif.** — **ILG** (International Laser Group), a U.S. manufacturer of MICR and compatible printer toner cartridges for over 20 years has added two new MICR cartridges to its extensive line of MICR products.

ILG is the first-to-market the dynamic duo: Lexmark T650 MICR HY with 25,000 page yield compatible (#T650H11M), designed for Lexmark T650, T652, and T654 series printers. Also, the Lexmark E260 MICR with 3,500 page yield compatible (E260A11M) for use in Lexmark E260, E360, and E460 series printers.

ILG's MICR (Magnetic ink character recognition) cartridge undergoes stringent tests to meet our high quality standards. In addition, every MICR cartridge must pass the American Bankers Association requirements as well as American National Standards Institute signal strength minimums.

"Our dealers and wholesalers who service financial institutions choose ILG's MICR line because of our in-depth line and our quality. Our MICR cartridges are tested for signal strength. These tests insure each product meets and complies with both US and Canadian standards." States Joe Shulman, V.P. of sales and chief operating officer.

Founded in 1988, International Laser Group, ILG offers a comprehensive selection of high-quality compatible cartridges including toner, MICR toner, thermal transfer products and inkjets. ILG manufactures more than 400 SKUs and is one of the world's top private-label contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, CA we operate three additional distribution facilities in Illinois, Texas and Pennsylvania, enabling us to offer next day delivery.
