

International Laser Group (ILG) Releases HP & Brother Imaging Drums

June 1, 2005

WOODLAND HILLS, Calif. – International Laser Group

International Laser Group (ILG), an industry-leading manufacturer of premium imaging supplies, announced the release of their compatible Q3964A and DR500 drums for HP 2550 Series and Brother HL-1650 / 1670 printers.

“This product release reflects ILG’s ongoing commitment to providing customers with the most extensive selection of compatible imaging products in the industry,” said Joe Shulman, COO. “We have a reputation for being a one-stop source. If our customers are looking for a compatible product, they expect ILG to have it. Our R&D Department works hard to make sure we maintain that reputation.”

ILG’s corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made the company one of the world’s top manufacturers of compatible supplies. With strategically located warehouse and distribution centers throughout the United States, International Laser Group is able to offer Next-Day Delivery anywhere in the nation.
