

International Laser Group (ILG) Releases Dell 1600n Cartridges

August 1, 2005

Woodland Hills, CA - International Laser Group (ILG), an industry-leading manufacturer of compatible imaging supplies, announced the release of their compatible T5850 and X5015 toner cartridges for Dell 1600n Series printers. These cartridges are currently available for same-day shipment.

“Dell has become a major player in today’s printer arena,” said Joe Shulman, COO. “We are proud to have mastered the chip so quickly. We made it a priority to come to market as quickly as possible with these cartridges, because we get requests all the time. Demand for Dell-compatible supplies has been increasing steadily.”

Offering customized private-labeling and an unmatched delivery system, ILG is the perfect outsource partner. With warehouse and distribution centers strategically located throughout the United States, they are able to offer their customers Next-Day Delivery anywhere in the nation. ILG’s corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made the company one of the world’s top manufacturers of compatible printer and fax cartridges.
