

International Laser Group (ILG) Releases Samsung ML-2250 Cartridge

August 1, 2005

Woodland Hills, CA - International Laser Group (ILG), a leading manufacturer of premium compatible imaging supplies, announced the release of their compatible 2250D50/XAA toner cartridge for Samsung ML-2250, ML-2251 and ML2252 Series printers. The cartridges are currently available for same-day shipment.

“Once again, we’re extremely proud to be first-to-market with a chip-cartridge,” says Joe Shulman, COO. “As an industry-leader it is our obligation to give our customers the products they need as quickly as possible. We’ve built a reputation on releasing high-quality products quickly and offering them at the prices our customers need to be competitive.”

Founded in 1988, ILG is now among the top 10 leading manufacturers of premium compatible printer and fax cartridges. With warehouse and distribution centers strategically located throughout the United States, ILG is able to offer Next-Day Delivery anywhere in the nation.
