

International Laser Group (ILG) Announces Cartridges for Xerox Phaser and WorkCenter Printers

September 1, 2005

WOODLAND HILLS, Calif. – International Laser Group

International Laser Group (ILG), the industry-leading manufacturer of premium compatible imaging supplies, announced the release of its compatible 109R00725 and 113R00667 cartridges for the Xerox Phaser 3130 and WorkCentre PE16 laser printers. This product release rounds off ILG's already-strong line of Xerox-compatible supplies.

"We're always looking for ways to expand our Xerox product line," states Joe Shulman, COO. "ILG now offers toner supplies for over ninety (90) Xerox laser printers."

As with all ILG toner cartridges, the Xerox line features ISO 9002 graphics-grade toner. Every ILG cartridge is required to pass four different quality control tests, and is backed with a 100% Quality and Satisfaction Guarantee. Private-labeling is offered free-of-charge, and custom packaging is available upon request.

ILG's corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made the company one of the world's top private-label, contract manufacturers and distributors of compatible printer and fax cartridges. With warehouse and distribution centers strategically located throughout the United States, they are able to offer Next-Day Delivery anywhere in the nation.
