

International Laser Group (ILG) Releases Universal Compatible Cartridge for Dell, Samsung & Xerox Printers

July, 2006

WOODLAND HILLS, Calif. – International Laser Group

International Laser Group (ILG), the industry-leading manufacturer of premium compatible imaging supplies, announced the release of a universal compatible cartridge for Samsung, Dell and Xerox printers.

The new universal cartridge is compatible to six printers from three different manufacturers, and provides over 3,000 pages of print at a 5% page-coverage.

“This is the second universal we have released this year,” notes Gary Michaels, President and CEO. “We are so excited to add another universal cartridge to our product line, because they are such a wonderful value to our customers. Resellers can free up shelf space by offering one product that can replace to multiple cartridges. ”
