

## **International Laser Group (ILG) Announces TN-350 Compatible Cartridges Available For Shipment**

*August 2005*

*Woodland Hills, CA* - International Laser Group (ILG), America's oldest continuous privately-owned manufacturer of premium compatible Laser Toner Cartridges, MICR Toner Cartridges, Inkjet Cartridges and Thermal Transfer products, announced that its compatible TN-350 toner cartridges for the Brother HL-2030 / 2040 / 2070N, IntelliFax 2820/2920 and MFC-7200 / 7420 / 7820 printers are coin-stock and available for shipment.

"ILG's Manufacturing and Purchasing Departments have been working non-stop to meet the demand for this product," says Joe Shulman, Vice President. "As a result, ILG has been able to consistently ship these cartridges the same-day we receive the orders from our customers."

ILG makes toner cartridges and replacement drums for more than 100 Brother laser printers and fax machines. The manufacturer produces a broad product line for Brother machines, offering compatibles for all the most popular Brother products including the DR-200, DR-250, DR-400 and DR-500 drums, as well as the TN-250, TN-460, TN-560, TN-570, TN-5000PF, and the TN-350 toner cartridges.

Founded in 1989, ILG prides itself on making Quality its first priority and on providing world-class customer service that is second to none. Today the company has revenues approaching \$50 million annually, and boasts the lowest employee turnover-rate in the industry. ILG's corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made the company one of the world's top private-label, contract manufacturers and distributors of compatible printer and fax cartridges.
