

## **International Laser Group (ILG) Releases Color LaserJet 2600n Cartridges**

*October 2005*

WOODLAND HILLS, Calif. – International Laser Group (ILG), one of the Top-10 manufacturers of compatible toner and fax cartridges, announced the release of the full suite of cartridges for HP Color LaserJet 2600n Series printers.

The manufacturer now offers a broad selection of imaging supplies for all the most popular color machines, including HP's 3115, 2550, 3500, 3550, 3600, 3700, 3800, 3845, 4650, 5550, and 8500, the Xerox 6250 and 8400, and now the HP LaserJet 2600n Series.

"We expect the HP 2600 color cartridges to be our hottest color sellers," notes Gary Michaels, Co-Founder and COO. "We have pushed our R&D Department to be the first-to-market everytime. We have succeeded in the race to be the compatible industry's #1 innovator in supplies for new printer placements. The OEM's are pushing out new printers faster than they ever have throughout our 20 year history, and ILG is proud to be right there with them."

The newest additions to ILG's color line-up feature ISO-9002 graphics-grade toner and are designed to meet or exceed OEM page yields. The ILG Q6000A-compatible (black) cartridge yields 2,500 pages, while the compatible Q6001A (cyan), Q6002A (yellow) and Q6003A (magenta) cartridges each yield 2,000 pages exactly equaling HP OEM specifications. Each cartridge is guaranteed to provide the same crisp images, true-to-life colors and batch-to-batch color consistency of its OEM counterpart.

Founded in 1988 by Cindy and Gary Michaels, ILG is the oldest and only Top-10 woman-owned manufacturer of imaging supplies. The company's corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made ILG one of the world's top private-label, contract manufacturers and distributors of compatible printer and fax cartridges. With warehouse and distribution centers strategically located throughout the United States, they are able to provide next day delivery at ground prices anywhere in the nation. Private-labeling is offered free-of-charge, and custom packaging is available upon request.
