

International Laser Group (ILG) Offers A Complete Line of MICR Supplies

November 2006

Woodland Hills, CA - International Laser Group (ILG), one of the industry's leading manufacturers of premium imaging products, announces a full line of MICR compatible cartridges.

ILG's product offering for MICR supplies is one of the strongest in the industry. With the recent addition of their T640-compatible MICR cartridge, the manufacturer now offers MICR compatibles for over 120 popular printers from various manufacturers, including Hewlett-Packard, Canon, Lexmark, Dell and IBM.

As always, ILG backs their products with a 100% Quality and Satisfaction Warrantee. ILG MICR toner cartridges are guaranteed to produce MICR-encoded text that is readable by all major financial institutions.

Founded in 1988, ILG established itself as an industry leader in computer products, and has grown to a multi-million dollar manufacturer of imaging supplies. Based in Woodland Hills, California, the company's world-class manufacturing facility boasts a combined production and warehouse capacity of more than 80,000 square feet, and produces more than 60,000 cartridges per month with a defect rate of less than 1%. Private-labeling is offered free-of-charge, and custom packaging is available upon request.
