

## **International Laser Group (ILG) Releases Color LaserJet 4700 Cartridges**

*January 2007*

WOODLAND HILLS, Calif. – International Laser Group (ILG), the veteran manufacturer of premium quality compatible toner and fax cartridges, announced their release of the full suite of cartridges for HP Color LaserJet 4700 Series printers.

“Our R&D and QA Departments have been operating in high-gear to bring the LaserJet 4700 cartridges to market quickly, and they have succeeded,” states Joe Shulman, Vice President. “ILG’s suite of LaserJet 4700 cartridges are premium-quality, and exactly equal OEM specifications. We are pleased to be able to offer them to our customers so soon, and at extremely competitive prices.”

The manufacturer now offers a broad selection of imaging supplies for all the most popular color machines, including HP’s 1500, 1600, 3115, 2550, 2600n, 3500, 3550, 3600, 3700, 3800, 3845, 4600, 4600, 4650, 4730mfp, 5500, 5550, and 8500, and now the HP LaserJet 4700 Series.

ILG’s LaserJet 4700 cartridges feature ISO-9002 graphics-grade toner and are meticulously analyzed and tested to ensure the best performance. They are designed to meet or exceed OEM page yields, while providing the same brilliant, true-to-life colors and batch-to-batch color consistency as their OEM counterparts. The ILG Q5950A-compatible (black) cartridge yields 11,000 pages, while the compatible Q5951A (cyan), Q5952A (yellow) and Q5953A (magenta) cartridges each yield 10,000 pages exactly equaling HP OEM specifications.

As always, ILG backs these cartridges with their legendary, rock-solid Warranty. Every ILG cartridge is tested against stringent quality assurance standards, and is backed with a 100% Quality and Satisfaction Guarantee.

Founded by the Michaels family in 1988, ILG has become one of the world’s top private-label, contract manufacturers of compatible imaging products. The company’s world-class manufacturing facility produces more than 60,000 cartridges per month, and boasts a defect rate of less than 1%. With warehouse and distribution centers strategically located throughout the United States, they are able to provide next day delivery at ground prices anywhere in the nation. Private-labeling is offered free-of-charge, and custom packaging is available upon request.
