

## International Laser Group (ILG) Releases Dell Color 3100cn & 5100cn Cartridges

April 2007

Woodland Hills, CA - International Laser Group (ILG), one of America's oldest continuously family-owned manufacturers of compatible imaging supplies, announced the release of 8 new compatible cartridges for Dell Color 3100cn and Color 5100cn printers.

ILG's Dell-compatible toner cartridges are designed to meet or exceed OEM page yields, while providing the same brilliant, true-to-life colors and batch-to-batch color consistency as their OEM counterparts. ILG's compatible 310-5726 (black), 310-5729 (yellow), 310-5730 (magenta) and 310-5731 (cyan) cartridges for the Dell Color 3100cn printer each yield 4,000 pages. The ILG 310-5807 (black) compatible cartridge yields 9,000 pages, while the compatible 310-5808 (yellow), 310-5809 (magenta) and 310-5810 (cyan) cartridges each yield 8,000 pages exactly equaling Dell OEM specifications.

"Color is the fastest growing segment of the imaging market," states Joe Shulman, Vice President. "Laser color printers are becoming more and more affordable, and as a result the demand for color laser cartridges is skyrocketing. Over the past year and a half, ILG's Research & Development Department has intensified its focus on color. As a result we have what I believe is the highest quality and largest product offering of compatible color laser toner cartridges on the market today."

Founded in 1988 by Cindy and Gary Michaels, ILG's corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made the company one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Armed with the industry's most advanced manufacturing equipment, and a rigorously trained technical staff that is STMC certified, ILG has earned a reputation for quality and innovation. With distribution centers strategically located throughout the United States, the company is able to offer rapid, cost-effective delivery anywhere in the nation. Private-labeling is offered free-of-charge, and custom packaging is available upon request.
