

International Laser Group (ILG) Announces Universal Cartridges for HP, Dell, Samsung and Xerox Printers

January 2007

International Laser Group (ILG), one of America's Top-10 manufacturers of premium compatible imaging supplies, announces universal cartridges for twenty-nine Hewlett-Packard, Brother, Dell, Samsung and Xerox printers.

"Our Universal cartridges are an incredible value to resellers and consumers," says Gary Michaels, Founder & COO. "ILG dealers can free up valuable shelf-space by offering two products that are compatible to eleven different cartridges. End-Users benefit the significant savings that are always provided by ILG compatible cartridges. It's a win-win for everyone!"

- ❖ ILG's HP-compatible Universal cartridge for LaserJet 4200, 4300, 4250, 4350 and 4345mfp printers, yields over 20,000 pages of print at 5% page coverage. This Jumbo-Yield product replaces five different HP cartridges: the Q1338A, Q1339A, Q5942A, Q5942X and Q5945A.
- ❖ ILG's Brother-compatible Universal cartridge replaces three different Brother cartridges (TN-460, TN-560 and TN-570) and fits eighteen printers including: the HL-1240/5050/5170, MFC-8500/8440/8820 and PPF-4100/5750. This cartridge yields over 6,700 pages of print, and works seamlessly with DR-400, DR-500 and DR-510 drums.
- ❖ ILG's universal Dell/Samsung/Xerox cartridge provides over 3,000 pages of print. This versatile cartridge is compatible to six printers from three different manufacturers: the Dell 1100, Samsung ML-1610, ML-2010, SCX-4521, and Xerox Phaser 3117 and WorkCentre PE220.

Founded in 1988, International Laser Group offers a huge selection of laser toner cartridges, MICR toner cartridges, thermal transfer products and inkjet cartridges and cartridges for all the most popular printer, fax, copier and multifunction machines. The company's corporate philosophy of offering superior products and customer satisfaction at exceptional pricing has made International Laser Group one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies.
