### **ILG (INTERNATIONAL LASER GROUP) ANNOUNCES THE RELEASES OF HP CP2025/CM 2320 Color Laser Jet Compatible Toner Cartridges**

**WOODLAND HILLS, Calif.** — **ILG** (International Laser Group), a U.S. based leading manufacturer of premium compatible imaging supplies, has added HP Color LaserJet CP2025 / CM2320 printer toners to their line of OEM quality compatible cartridges.

New release compatibles in HP Color LaserJet toners are:

**Compatible CC530A** (Black) with 3,500 page yield; **Compatible CC531A** (Cyan) 2,800 page yield; **Compatible CC532A** (Magenta) 2,800 page yield; and **Compatible CC533A** (Yellow) 2,800 page yield.

ILG has developed these quality compatibles with the same vivid high-impact colors of HP's Color Sphere toners, at significant savings to our customers.

ILG is one of the first to produce high-demand toners including HP Color, HP MICR, Xerox and other popular brands. Our in-depth line includes color, high-yield JUMBO colors, and the most sought after new releases in several OEM compatibles. Our USA manufacturing facility with advanced R & D and Quality assurance engineering programs has allowed us to offer our extensive product lines at aggressive pricing.

"We can offer next day shipping services from our four fully stocked warehouses, located throughout the United States. Our efficient on-site manufacturing with stringent quality standards has allowed us to provide consistent colors, made in the U.S.A. We are the leader because our products work." said Joe Shulman, VP of sales and operations.

Founded in 1988, International Laser Group offers a comprehensive selection of high-quality compatible cartridges including toner, MICR toner, thermal transfer products and inkjets. ILG manufactures more than 350 SKUs and is one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, California they operate three additional distribution facilities in Illinois, Texas and Pennsylvania enabling us to offer next day delivery.
